

250ml POUR BOTTLE

100ml SPRAY BOTTLE

I've lost count of the number of dermatologists who have told me to use this £15 skin mist.

clinisoothe+ Skin Purifier

7 Benefits in 1 for clearer skin.

Clinisoothe+ Skin Purifier is a powerful solution that will reduce redness, soothe and actively protect skin on the face and body from breakouts and irritation. It helps skin to rapidly recover from harsh exposure to pollutants and contamination from the environment.

How to use

100ml usage - Spritz Clinisoothe+ Skin Purifier over cleansed skin. Leave to dry.

250ml usage - Pour Clinisoothe+ Skin Purifier onto a cotton pad, so it is soaked through. Gently wipe over the face and neck areas, or area of skin concern. Leave to dry.

No need to rinse off. Use morning and evening after cleansing and reapply as many times as necessary for optimum skin health.

Please recycle.
